Will Present  
A Fraternal Benefits Night  
At The Barn  
Thursday, March 18, 2010  
8:00 PM

Our Council Field Agent, Dennis Riley, will provide the latest information on products available exclusively to our members and families through the Knights Insurance Program.

These include life insurance, annuities and other retirement planning, and long-term care insurance.

We will also have a speaker, Marieann Machida. She is an attorney and will speak about wills, trusts, and estate planning. Her husband is a Knight with another council.

There will also be a number of door prizes.

You and your spouse are invited to attend and learn more about our extensive benefit programs.
